Seeing Red

Dear Virgin Territory,

I have been a faithful buyer of 18eighteen magazine for roughly eight years now. No other teen magazine out there can even compare to yours. You always have the hottest teens in your magazine. As a result, I finally became a subscriber and received my first issue (Jan. '10) in the mail last month. Your Feb. '10 was exceptional. It's my favorite issue so far. I especially loved the Redhead Special as I have recently become more and more attracted to them. Shy (Nov. '05) and Gabriela (Dec. '05) are by far my two favorite girls. Shy's mouth is absolutely gorgeous and she looks like she knows how to pleasure a guy's cock. I would give anything to have my balls drained by her. Gabriela has such perfect tits that I would love to fuck and cum all over them. And she, too, has a nice mouth. Aside from the Redhead Special the other girl in this issue that got my cock super hard was Jessica. I'd love to fuck her brains out while she is on skates. Please keep up the work, guys, and help me become a lifelong subscriber (I sometimes also subscribe to your awesome website). Hopefully you will feature more redheads in your magazine in the near future.-M.F., Camp Hill, Pennsylvania

Dear M.F.,

Isn't life much better now that you're a subscriber? To show our gratitude, we've included a few shots of redheads here in the letters section and a bonus shot of Jessica on page 7.

Dear Virgin Territory,

Your Feb. '10 Redhead Special issue was fuckin' awesome!

Redheaded chicks are the best fucks, hands down. Amber is smokin' hot and all the redheads you interviewed are great, especially my girl Faye. She is my favorite porn star. I have several of her DVDs and she is beautiful. She has a killer ass and perfect titties and who cares how many freckles!—J.R., Nashville, Tennessee

Dear J.R.,

Readers certainly love their redheads. Faye appeared in 18eighteen early in her career and now she has taken over the porn scene. Amber's just as hot as she is; hopefully we launched her into porn stardom as well!

Top Cunny Contender

Dear Virgin Territory,

I buy three porn mags a month and 18eighteen is one of them. I used to have another favorite, but now I like

Alright guys, we get it. You love redheads like Faye and Amber. We don't blame you.

azines have great-looking girls but they look like models. I like the schoolgirl and girl-next-door types. Hot, little cuties that really look 18. Your girls are so fresh and flat!—Anon., Santa Clarita, California

Dear Anon.,

Thanks for the compliments! We're glad to be at the top of your young-babe mag list, and will do our best to maintain our position.

Trinity's Dog

Dear Virgin Territory,

18eighteen magazine is the classiest and greatest magazine that has ever been published. 18eighteen makes all the other magazines look like they are published by amateurs who don't know what they are doing. The girls of your magazine are the most beautiful girls the world has ever seen.

I just turned 50 and I hope to live to be 100 because I will subscribe to 18eighteen for the rest of my life.

I just received my issue of Jan. '10. I received it late because of a mix-up

babes. The

mag-

when I moved. All of your issues are priceless, but I have to admit that this is the greatest issue I have ever seen. The six most beautiful women ever are in this issue. Number six: Ava. She's of Vietnamese descent and makes me hungry for tonguing her

perfect ass. Number five: Sophia. She has very sexy legs. Number four: Jersey. She's from Aug. '06 in your Flex for Sex special. She is the sweetest woman ever. I am in love with her. Number three: Candy. I would love to watch this hot chick with other men. (Preferably black men. I am a white male). Number two: Tabitha. She has the nicest set of boobs I have ever seen. Her boobs are perfectly proportioned, and her nipples are perky. Tabitha's face is stunning. Number one: Trinity. She's from the Jan. '08 issue in your letters section. What can I say—Trinity is still the goddess of beauty. I would do anything Trinity tells me to do.

My perfect date would be with Trinity. I would want to be in a collar and leash. I would watch her make love to multiple men. And I want her to be very passionate with them. I will masturbate watching them.

Trinity would be the boss and that is the way it should be. I would obey all of her commands. Trinity is way above perfect. To other readers: Don't be stuck in between. Just subscribe to 18eighTeen!—J.T., Washington, Missouri

Dear J.T.,
We're glad the Jan. '10 issue made such

an impression on you. Although we hoped the number one slot would go to a model who was featured in a pictorial, but that's okay. Here's sweet Trinity once more.

Jessica and Summer Sitting in a Tree...

Dear Virgin Territory,

Your Feb. '10 issue is packed with cuties. My favorite is Jessica. I'd love to fuck her with those skates on. She looks adorable, especially with the pigtails. My second favorite girl is Summer. I think she is so sexy. I like all different kinds of girls; the more variety the better! If you could get Jessica, who is an All-American blondie, and Summer, who looks Latina, to do a threesome, I'd love it. Or any cute American and Latina girls will do.—H.F., Adrian, Michigan

Dear H.F.,

Readers love to see the contrast of an American pie with an exotic, ethnic cherry. We ran a girl-girl set like this in the Holiday '09 issue. Blonde Lorna gets it on with olive-skinned Sabrina.

No Love for Chub

Dear Virgin Territory,
I must address an alarming trend

I've noticed in your magazine: chubby and fat teenagers! I come to *18eigh-teen* for young, tight trim. Keep the heavier girls for your other magazines. I only want to see skinny hotties, and I don't think I'm alone. One recent example I can think of is Mischa from Jan. '10. I think she is a bit on the fat side, and would prefer if you showed models who are built more like Annabelle and Molly. Star from Feb. '10 is also on the chunky side. She'd look a lot better if she lost 10

pounds or so. I don't mean to sound rude, but that's just how I feel about things.—D.B., Miami, Florida

Dear D.B.,

We celebrate all kinds of teen bodies, from rail-thin and flat to curvy and busty. We don't think we've ever featured a model that's "fat." While Mischa and Star are not our thinnest models, we still like them just the way they are. Nothing wrong with a little baby phat!

Reader Confessions

Dear Virgin Territory,

I wasted nearly four years of high school as a nerdy, ugly virgin, but your magazine has changed all that. Today I'm a normal all-American girl of eighteen who is routinely fulfilled! When I saw all the girls in your mag-

azine obviously enjoying being naked, I knew I had to do a complete makeover. I started dieting to lose weight, and started an intensive workout program to get in shape. The final step was seduction.

My cousin, Jill, told me about three guys who live off campus about 60 miles from my home; she said they were not only hot, but that they'd made her cum more than ever in her entire life! So I drove out there and introduced myself as Jill's cousin. I pretended that my car had broken down. "I have no money, no credit card, no luggage—would you mind very much if I crash here 'til morning when I can get my car fixed?"

We stayed up late watching T.V. I was wearing the one thing I had to sleep in: my nightshirt. It's not very long. I pretended to be sleepy and quickly knocked out. Two of the guys got off the sofa to let me lie down, and when they did—oops!—my pussy was showing! "Look how moist she is!" one of them said. I could barely contain my enthusiasm as they not only lusted after me, but also talked about my body. "I'd sure like to take that for a test drive." They all agreed. I started to 'wake up'. "What's happening?" I said, groggily rubbing my eyes. "Oh!" I said while looking down at my exposed pussy. "I'm sooo wet. Why don't you boys help me out?"

The three guys unzipped their pants simultaneously. I felt a strong hand on my left hip, then the long, hard flesh of a cock slip inside me. "It fits like a glove," one of them said.

"Your cock feels so good; what's your name again?" One of

his friends told me. "He's Tony, I'm Brad and that's my other friend John." I licked my lips as I said invitingly, "Well Brad and John, are you just gonna stand there and let Tony have all the fun?" Brad hesitated but John stepped right up and put his dick in front of my face. I licked it up one side and down the other. I glanced at Brad's late-to-the-finish-line cock. "Hmm. I'm not quite sure who to suck off first."

I said to Brad, "Let me taste you before I suck off your friend. Sorry John, you're gonna have to wait your turn." Brad sure didn't last long—not even a minute. Not bad for it being the first time I'd even had a cock in my mouth! I smiled and said, "Thanks, what was your name again?" but before he could answer I called out, "It doesn't matter. Next!"

I wound up staying a couple days and we fucked ourselves silly with foursomes and DP. I must have swallowed about twenty loads of cum. Anyway, I just wanted to say thanks to your magazine, its editor and especially the variety of young models for liberating me, and thanks for giving me the motivation to become the cum-slut that I'm proud to be!—M., Oceano, California

Dear M.,

We know that *18eigh-teen* has inspired plenty of men to cum, but we feel honored that we've inspired a young virgin

Heather Puckers Up

Dear Virgin Territory,

I haven't been able to stop looking at my Jan. '10 issue. So many hot-looking ladies showing off their backdoor pockers along with their pussies. It's great to see that you're showing more asshole photos lately. Like Nikita's in Oct. '09, and Heather in the Jan. '10 issue has a hot one, too.

I think I'm going to move to Ohio so Heather can ride my cock every day instead of her bike. That way she wouldn't risk injuring that super hot body of hers by running into trees.

What a super-hot looking woman she is. From her gorgeous brown eyes, beautiful smile, luscious lips and great-looking tits and nipples down to her super thick pussy and hot anus and ass cheeks. Heather could ride my cock until she cumms and lubes up my cock with her juices. Then I could slide my cock into her hot backdoor orifice, and pump her and rub her clit until she cumms again, and I cum in her ass. Then I could slide my cock out of her sticky ass and let her suck it hard again if she likes.

You did a fantastic job in your photo layout of Heather. Hope to see

a lot more of her in the future. She looks like the kind of woman a man would want to be around faithfully everyday for the rest of his life.

Great job with the Jan. '10 issue. I thoroughly enjoyed the entire issue, even if I only wrote about Heather. When I saw her and started to write about her, I just couldn't stop. So my letter got pretty long.—K.C., Harvey, North Dakota

Dear K.C.,

Heather sure does have a nice 'backdoor pucker.' Just look at it in this bonus shot of her asshole! 18

Heather's "backdoor pucker" is just as tasty and inviting as her pussy.

Channell
Overheating Hottie

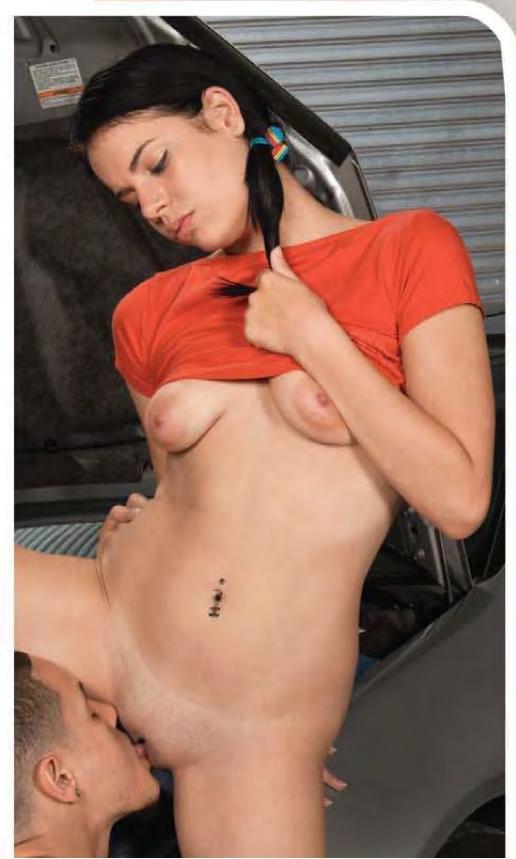

So Channell, how did this mechanic end up revving your engine?

"My car was smoking and overheating so I brought it into an auto repair shop. It was bittersweet because it really sucks that my car broke down, but at the same time I've always loved watching sweaty, dirty car mechanics work. I guess it has something to do with them being good with their hands. Right away I started flirting with the mechanic who was working on my car. I asked him if he could teach me a little bit about my engine, and as he was pointing stuff out I bent over so he could get a good view of my ass. My slutty ways totally gave him a boner."

Her car is broken, but she still went for a ride!

"I wanted him to put his dirty, greasy hands all over me, and I wanted him to take his tool out of his pants and put it inside me. Forget the car, my pussy was in serious need of servicing!"

Were you satisfied with the service you got?

"Totally. I got my car fixed and I had really great sex. I didn't even have to pay for the repairs! I think it's 'cause I let him cum on my face, and I talked super dirty while he was doing it. He really seemed to like that 'cause he shot a huge load. It just kept coming and coming! I'll definitely be coming back here again. This guy knows his stuff!"

Did you have fun studying, Khristina?

"Hell no! It was so boring, and I was so horny! I was trying to do research online but I kept looking at dirty pictures and videos instead. I knew if I wanted to get any work done that I'd have to take a break and get myself off. It was the only way I'd be able to concentrate!"

How long did your "cum break" last?

"Much longer than I expected. I played with myself for like an hour! But it was fun. I started off rubbing my clit with my finger, and when I started to get wet I stuck my finger in my hole. I was getting super turned-on so I got out my favorite toy. I knew I was going to need something bigger than my finger to take care of me this time around, and my toy did just the trick. I was so into it that I swear it felt like the real thing! I closed my eyes and pretended it was a flesh-and-blood cock penetrating me. It was what I needed, because when I finished I breezed through my studying."

When is the last time you had sex?

"It's been like, a month! That's probably why I've been so horny and distracted lately. It's been that long because I've had so much schoolwork to do that I have no social life. But when I'm not getting sex it's hard for me to concentrate on my work. It's a vicious cycle! College is hard. I thought I would be having sex all the time, but I'm always studying! But the semester will be over soon and then I can relax and get laid. I would get a steady boyfriend to take care of me sexually, but I don't just want one dick. I'm young and I want to try different ones! So for now I'll have to stick to masturbating while I study. It's funny; the subject that makes me the horniest is math! Probably 'cause it's so boring that my mind wanders and all I can think about is getting fucked by a hard dick!"

American Beauties

A How-To

Not unlike flowers, teenage girls are beautiful. You may prefer one type to another, but really—you can't say any of them are unpleasant. And let's face it, you wouldn't turn any of them down. As with flowers, however, different methods must be used to get them to bloom. And by methods, I mean dating strategies. And by bloom, I mean take their clothes off and let you touch them. Read on. You might learn something.

By Roman Lewis

I love the mall. In fact, when my wife—or even my young girlfriend, for that matter—has a lot on her to-do list and asks me to help out, I always enthusiastically volunteer for anything mall-related. And no, it's not because I'm metrosexual. You see, the mall is like a candy store where everything is delicious but nothing is fattening. Everywhere you look there are pretty, young morsels frolicking and chirping like that cuddly, little menagerie that followed Snow White all over the place.

The downside is that unlike in a real candy store, asking for free samples is generally frowned upon and occasionally punishable by law. But of course, you can look all you want. Which I do.

Instead of bluebirds and baby bunnies, of course, you've got all shades of high-school girls—from the hot, mean-girl cheerleaders on the verge of evolving into full-blown sorority bitches after graduation to the pale, sexy goth chicks with their high-laced boots and short schoolgirl skirts and penchant for doing bad things that

mommy most certainly wouldn't approve of—and all those sticky-sweet flavors in between. My dick gets hard just thinking about them. All of them.

Let's face it: life isn't always Forrest Gump's box of chocolates. Life can be a raw deal on any given day. A real shitfest. But now the worst thing a box of chocolates might give you is one of those juicy maraschino cherries when what you really wanted was soft, sugary coconut or that pink, strawberry-flavored fluff. No matter what you get, it's still pretty sweet and tasty. And that's precisely how it is with fresh, young trim. The only difference is that getting your old paws in those panties is far more challenging than opening a Whitman's Sampler, which is why so many of you perverts are grossly overweight and ridiculously undersexed.

BOOK HER, DANNO

What do you need to know about scoring with those newly minted 18-year-olds? Simply put, you have to speak their language. And depending on which type of lovely you're wooing, the dialect shifts. I love 'em all, of course, but I'm a total sucker for the nerdy ones. Conventionally hot chicks—and the attitudes that come with them—are often overrated. The bookish, shy ones are my favorites for several reasons.

Nerdy chicks tend to like a lot of things I dig—like Star Trek (original AND The Next Generation) and first-person shooter games. And any sweet, young thing who can quote Spock, kick my ass in Resident Evil

AND suck my cock is the keeper of the century. She doesn't spend a ton of time, if any at all, primping and posing in front of the mirror, wondering what outfit to wear with which shoes, because she's practicing algorithms or learning how to make mead or planning her Maid Marian costume for the big Ren Fest.

High school guys are idiots. I know this because I was one. They're too busy distracted by the teen ass that's out on display-i.e., the popular clique chicks-to notice these diamonds in the rough. A few have, but they're nerds, too. This means they've either never had the guts to ask her out or they have and were given the unfortunate 'I only like you as a gaming buddy' speech.

Nerdy girls are often beautiful, but since they're more or less invisible to the good-looking jocks at school and are very aware of the differences between themselves and those tattered-up cheerleader types, they have yet to realize it. They're insecure, inexperienced, and sometimes awkward, which is, in my book, one of the hottest things in the world.

To date, one of my favorite teen conquests was a beautiful braniac by the name of Courtney. I was about 30 at the time, and still a short while off from meeting the vivacious vixen who would eventually become Mrs. Roman (not to mention the succulent sweet thing that would eventually become my mistress). My readers know I'm an industrious guy. I met Courtney—a sweet, 18-year-old high school senior—in the library at a local community college where I was moonlighting as a handyman. Fertile ground for chasing teen ass it was.

I had several nights' work going on there, replacing a bunch of light fixtures, and Court got my attention the moment I climbed the ladder and caught a glimpse of her in the stacks. She was different from the other girls. Not only did she look younger than

Hot, bitchy teenagers in half-shirts and short skirts competing to be the best-of-the-best cheerleaders. You've probably jerked off to it.

most of the students milling around (I later found out she was earning early college credits in order to start her freshman year with some core requirements out of the way), she was very obviously more serious, her pert, little nose (with a smattering of freckles) was buried in a Trapper Keeper where she was scribbling away on an essay for her Comp 1 class.

She was a fair-skinned, blue-eyed brunette and her appearance said she wasn't looking for any undue attention. Her hair was pulled back in a sloppy ponytail from which stray tendrils escaped. I watched for a couple of hours as she absently corralled them behind one ear or the other while she concentrated on her work. She wore glasses. Her clothes were little more than pajamas fit for a sick day at home: baggy, well-worn t-shirt and loose sweats. You couldn't tell what was going on under there, but I have an eye for talent and I knew if I was lucky enough to get a peek I was going to be impressed.

Courtney was a gamer. I saw the magazines she carried with her while feverishly working on her English papers. We struck up a conversation about Myst or whatever the hot game was at the time. I can't remember. We talked about old horror movies, too, which she also loved. The next night I brought her a worn VHS tape of the original "Night of the Living Dead" and accompanied her deep into the stacks (where none of these students ever worked hard enough to tread) and watched as she parked her cute,

little butt on a step stool, unzipped my Levi's, and proceeded to take my cock all the way into her throat until she was kissing my balls. The entire time she looked up at me with those baby blues through her glasses like a teenage Skinemax librarian.

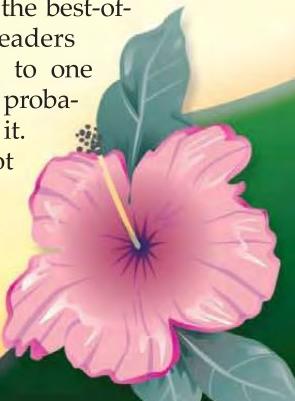

Not being afraid of biology, which she eventually studied straight through to a Ph.D., she even swallowed. Now that's a doctor's visit I can get onboard with.

All you need with a brainy girl is easy confidence (don't get too Alpha, jock assholes turn them off) and a genuine common interest. They will be able to tell in seconds if you don't actually play D&D, so don't bother. Cheerleaders? They're another story altogether. And one my buddy, Todd, should probably tell you about.

HOW TO BRING IT ON

No doubt you know the movie of which I speak: Hot, bitchy teenagers in half-shirts and short skirts competing to be the best-of-the-best cheerleaders while being evil to one another. You've probably jerked off to it. Anyway, it's not too far off.

Cheerleaders are vain. They're gorgeous and in-shape.

They're precisely the type of girls who likely rejected you in high school, which means nailing one would not only give your swollen balls blessed release, but afford your psyche some retrograde revenge on the bitches who laughed at your ass after you actually grew the balls to ask them to the dance.

Ergo, landing a piece of prom queen ass is sweet on many levels.

My friend, Todd, is an expert of sorts. He's 32 now and has gotten laid pretty consistently since being captain of his high school's basketball team. He is also exceedingly proud to note that he has never even fucked a girl older than 20.

Todd's immature, I tell him, and not too

bright—which is why he can relate to teenagers so easily. "But he just says that because he's jealous. Every time I meet Roman and his girlfriend out, mine is younger. I'm like Hugh Hefner."

And I bet he needs half a bottle of Cialis just like

Hef, too. But ultimately, he is the go-to man when it comes to the cheerleaders, so let's heed his advice. Thing one, says Todd, is to be in good shape and careful about how you look, because these girls are nothing if not shallow when it comes to outward appearances. Todd gels his hair, hits the gym almost every day and still fits into the same jeans he wore in high school.

"But I don't wear them. These chicks know fashion. At the same time, you can't dress like you're a teenager because your biggest appeal is that you're NOT one," he says. "If you have absolutely no fashion sense at all, go to a high-end store and let the salesgirl craft you a look that says three things: I'm cool. I'm successful. Being with me will make all your girlfriends jealous."

Todd's new squeeze, Kayla, is halfway through her freshman year in college. He met her over the summer at the beach. Kayla was not only head cheerleader in her high school;

That night, back at his apartment, Todd showed Kayla what it felt like to be with a man, not a boy. "I had her in my bed on her belly, ass in the air..."

she also competes. You've probably seen her on ESPN2. "I took her out on two expensive dates," he says. "They weren't really all that pricey, but when you're 18, anything that trumps

Chik-Fil-A and a movie seems very high class. I bought her steak. I let her prattle on and on about herself, which this kind of girl loves to do. And we sat in the lounge before dinner and even though she didn't drink, she liked sitting in the bar area. It makes young girls feel mature and grown up. They like that, too. It gets the hot sauce in the fur taco bubbling."

Todd also drives a swanky little convertible Benz. "If you don't have a

hot car," he says, "you might want to lease one. Or if you're feeling like a weeklong gamble could pay off with that hot little number who works at the pizza shack, rent one."

After their second dinner, Todd took her for a really romantic walk around a lake near downtown. She looked incredible—her tan, toned blondeness awash in a pale yellow dress that clung like a second skin. "She wore her hair up," says Todd. "Chicks like Kayla think the up-do makes them look more grown up. It's always good to encourage them. They want to feel like Miley Cyrus on the red carpet. You can't kiss ass too much because then you're giving them the upper hand, which is what they had with the high school boys. You need to be complementary, but you have to play it cool. You're older, you're mature. You have a nice car, your own place. You can spend a little money on them and this is what will get you into their pants."

That night, back at his apartment, Todd showed Kayla what it felt like to be with a man, not a boy. "I had her in my bed on her belly, ass in the air while I kissed and bit on her neck with my fingers curved up inside her tight, wet pussy. She was entirely naked and I was fully dressed. My cock was begging to get out of the dress

**Hi Brittney.
What kind
of guys do
you like?**

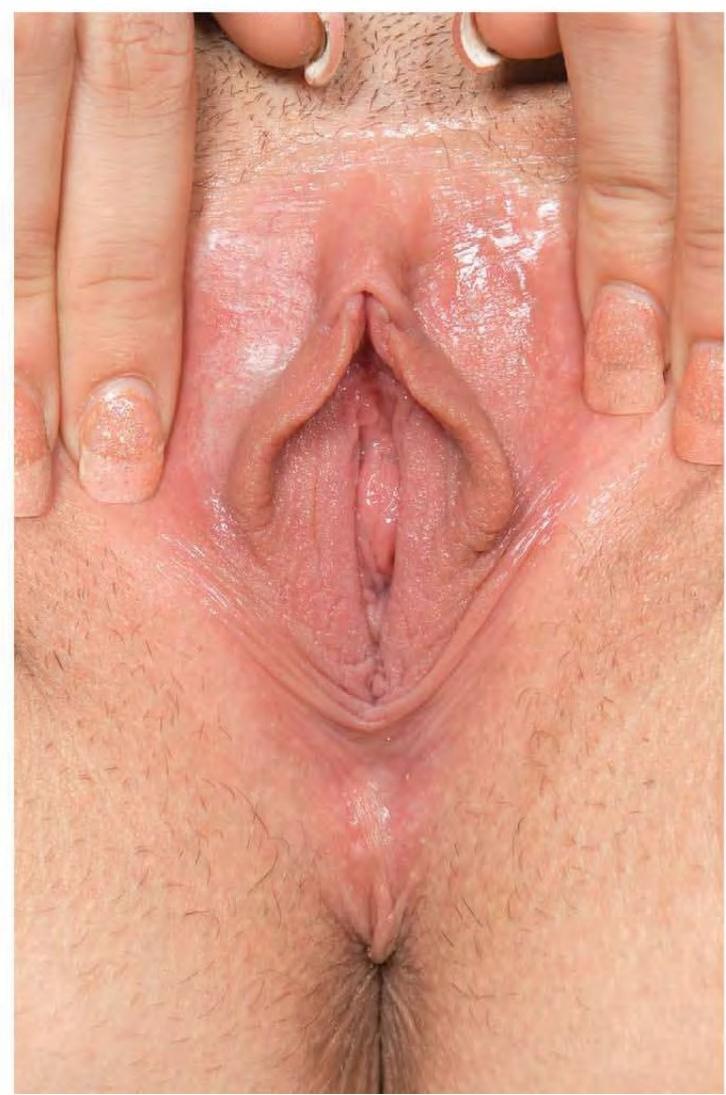

"If you would've asked me a few months ago, I would've said hot, muscular guys that are my age. But then I dated a guy like that and I realized they are not all that! Now I'm way into older men. I've got a new boyfriend and he's 43, and I love it! He's actually married but that doesn't bother me. He says that him and his wife hardly ever fuck anymore, and that she's a total bitch. That's the complete opposite of me!"

What is it that you like so much about your new and much older boyfriend?

"Everything! He's so sexy; he has little sprinkles of gray in his hair and a nice, trimmed goatee. He has his own money and he likes to buy me things. And he loves to eat me out. Like, he really takes his time. He told me that my pussy tastes really good and he loves licking it. He doesn't even go down on his wife 'cause he says her pussy is too hairy! That other young guy I dated would only eat me out for a second, then fuck me and cum super quick. My new guy satisfies me way more."

Are you afraid she'll find out?

"Not really. And not to be a bitch, but if she does, it's not my problem! For now I'm just enjoying the ride and all the great sex my boyfriend gives me. Older guys are really great in bed, and he always makes sure I cum first. I even told all my girlfriends at school that they need to try an older guy!"

How did you meet this guy anyway?

"This is so naughty, but he's a friend of my dad's! He came to a dinner party my parents had, and we hit it off. I was in the kitchen preparing the hors d'ouevres while my parents entertained the guests, and he came in to help me. He ended up fingering me in the kitchen while my parents and his wife were in the other room!"

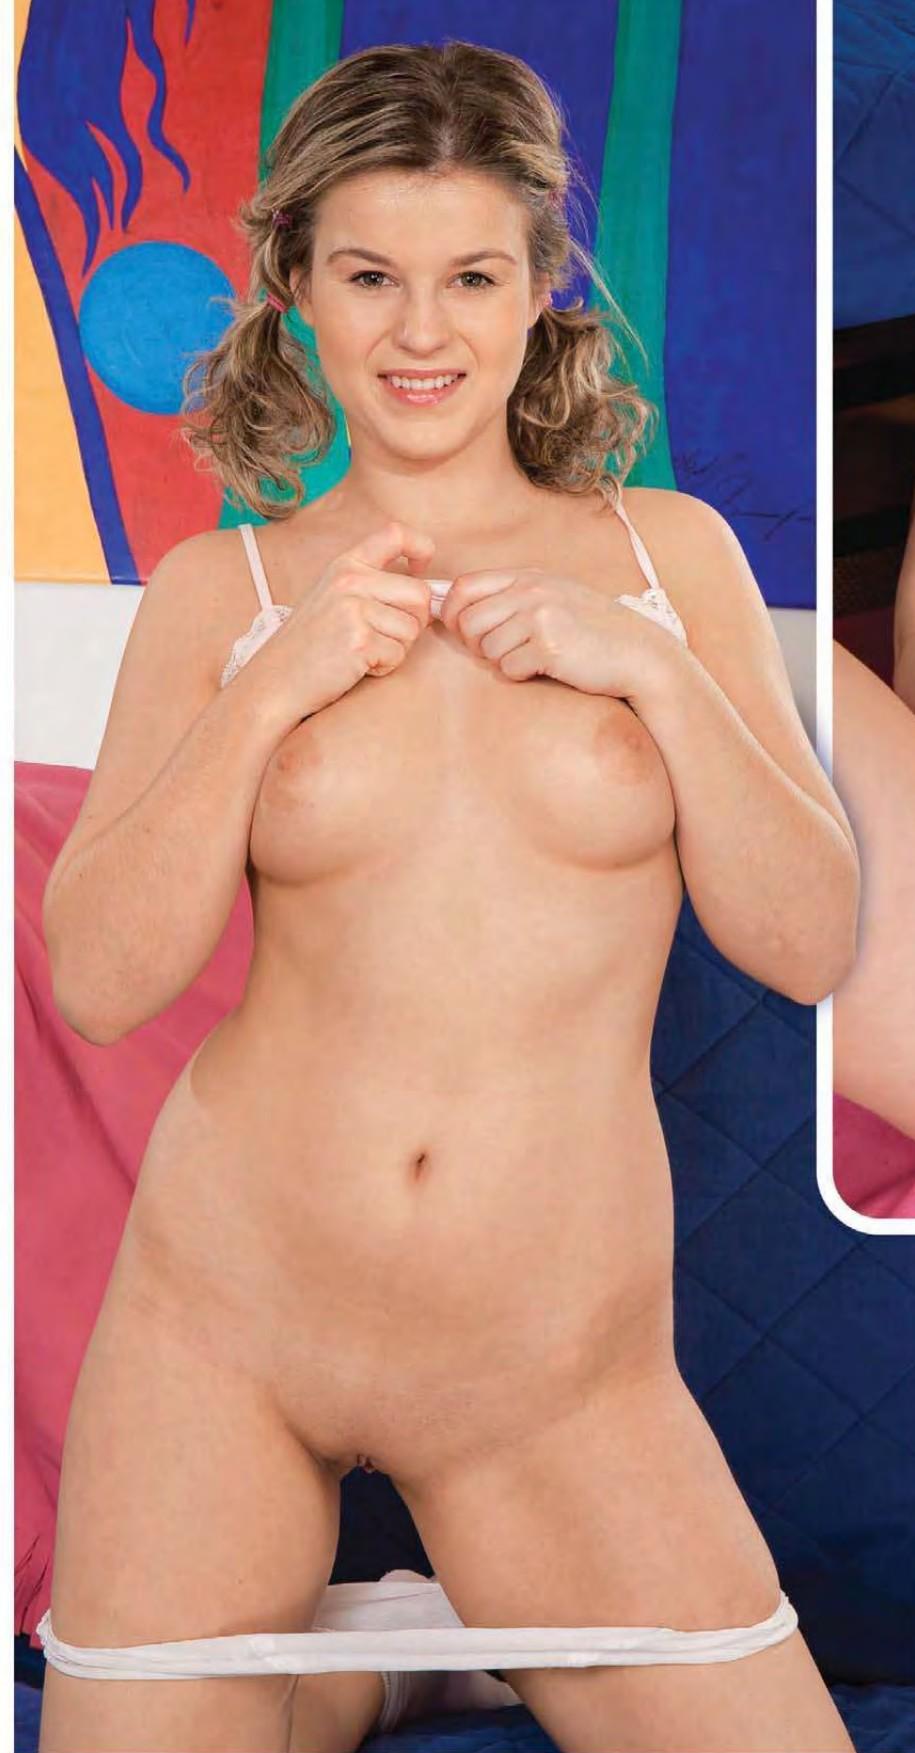

Lexia, is it true that you've never had a cock inside of you before?

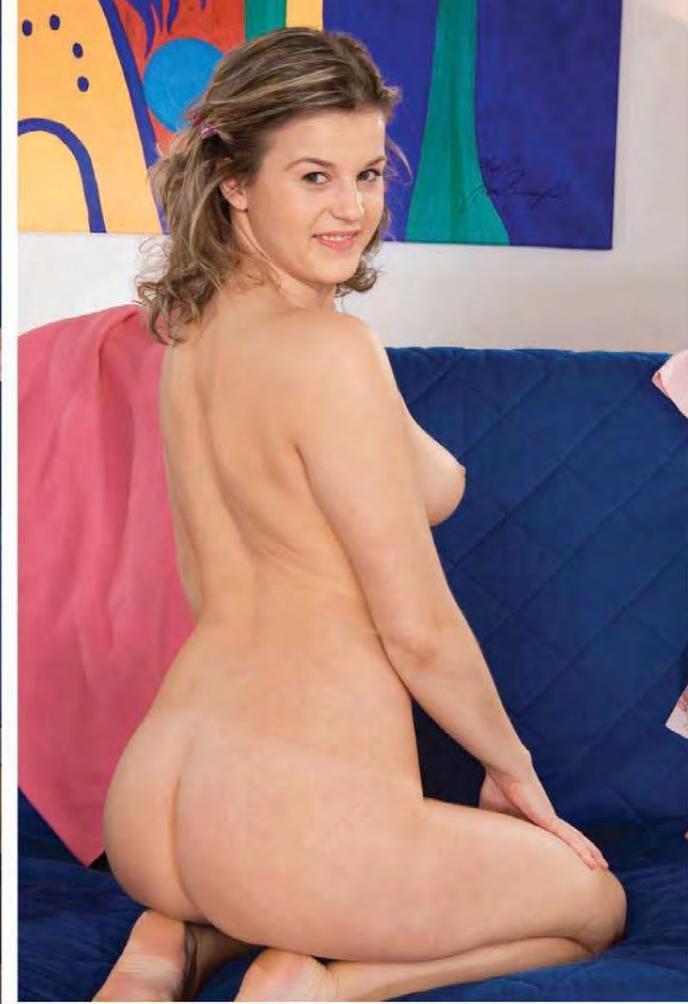

"Yes, it's true. But I don't know if I'm a virgin or not. I've put a toy inside of me before, so am I still a cherry? I've asked some of my girlfriends and they've all given me different answers. Some say I'm still a virgin, and others say that if I got a toy all the way up there then I'm not 'cause I popped my cherry. Well, I think I'm a virgin, and so does my boyfriend. He wants to have sex with me but I still want to wait some. He asked me if he could just stick the tip in, but I'm afraid to let him 'cause his thingie is so big! And one of my friends told me that once he sticks the head in, I'm gonna want the whole thing in. So I don't know what to do!"

Why don't you want to have sex with him?

"I want to wait till marriage, but it's like, super hard. And my boyfriend did something the other day that's made it even harder. He went down on me. It felt really good...better than I expected. While I was having an orgasm from him licking me, I wanted to tell him to stick it in so bad, but I didn't. You know, I think he did that so that I would want to have sex with him!"

pants, but I took my time, easing two fingers all the way up inside and listening to her grunt, feeling her ass pressing back, trying to push them in deeper. If you actually know what you're doing, girls love getting finger-fucked. She was leaning on my other arm, sucking on my fingers, moaning like she was a cat in heat."

High-school boys—just like the rest of us—want pussy, but they've barely seen it and have no idea how to touch it, you see.

"Her quim was juicing all over me and I was telling her how sexy she was, how beautiful her body was, how I bet she was going to taste like

candy—and then I sucked her cream right off my fingers. It drove her crazy and she turned over and splayed herself out on the bed, a flawless, blonde 18-year-old with barely a puff of blonde fuzz on her slit, spreading her lips open and fingering her button and moaning, her hips lifting up off the bed. I dove on her muff and put my tongue in and she came.

Just like that. She was so worked up her little body just exploded against my lips."

Afterwards, Todd took his time and gave her the high-hard one the right way. "I put her up on top of me and just watched her tight body work me like the bike in her spin class," he says. "These girls love to be on display, so giving them your body to use like a stage is a great way to let her get comfortable. She'll ride your cock like it's going to win her a

scholarship. Her tight pussy felt like a warm, wet glove on my dick and watching her—high tits, flat belly and of course that beautiful face—I was spewing like a water cannon before long." Todd's special hint is to put a large mirror somewhere nearby since pretty girls are like parakeets—they love looking at themselves, especially while they're fucking their hot older boyfriend.

"Girls like Kayla are only begging to be taken down a peg," he says. "You just need the right combination to get into the safe."

ROCK HARD

Oh, don't you just love those little rock n'rollers?

I remember them back in my day—the sexy, electroshock metal-chick hair, candy-coated lips, short leather skirts and skin-tight jeans with rips and tears in all the right places, giving you a peek of round, soft ass-cheeks while they waved their lighters in the dark of the arenas, screaming for an encore from the Crue or Maiden or Sabbath. I even remember them in my older brother's day with the tight baseball-style concert jerseys and the feathered hair singing Journey songs. Either way, the rocker girls rule because they're always up for a good time.

Today's crop is much the same. The bands are nowhere near as good, of course, but the fashion is still edgy. Pop into the Hot Topic next time you're at the mall and see who's buying up the vampire gear: Gorgeous little minxes with pale skin and dyed purple-black hair. They've got nose rings. Get under all that black outerwear and she may even have a pierced nipple or clit for you to play with.

My buddy's little sidepiece calls herself Esmeralda. She thinks she's a witch or something. I asked him about it for the piece but he admits he doesn't even pay much attention to the nonsense

she's into now that he's nailing her, but since he's a sucker for a little rocker girl, I'd say he knows what he's talking about.

Ron, who's been a musician since he was a kid, says with these girls it's all about the music.

"They listen to a lot of modern-day MTV or web shit or whatever," he says. "But these crappy bands were heavily influenced by the good shit we listened to when we were growing up. That is your 'in', so to speak."

Introduce her to the music that spawned hers. Make her mixes for her iPod. Take her out to the back roads for a good long drive with the windows open or the top down and break out the Zeppelin or AC/DC—maybe even Ministry or Nine-Inch Nails—and soon you'll be doing her doggie-style and dripping hot wax on her ass while listening to "Crazy Train."

Schedule regular movie nights and rack up the cool points with classics like "Fast Times at Ridgemont High" or (especially if she's Goth) "Donnie Darko" and she may reward you with a taste of her vampire pussy. Shit, it could be dyed purple to match her daring hair-do. "For the hardcore rockers, being a musician definitely helps," says Ron, "and if you lack that ability you may want to concentrate on the Goth chicks, who are also suckers for really bad, depressing poetry and home décor that leans toward an interest in the occult."

Invite her over, bust out the black light and light up a bunch of candles. "Essie loves the candles," he says. "And sometimes if she's feeling a particular spirit, she'll invite one of the other hotties from her 'coven' over and *Continued on page 90*

Smile

You look awfully happy, Tinah.

"I'm always happy. Sometimes my friends even get annoyed by my happiness, but that's just how I am! And I've been in a really good mood lately because I finally gave up my cherry. I can't wipe this smile off my face! This must be the post-sex glow that I've heard so much about. I was like, the last virgin in my class. It was so annoying—like I got held back a grade or something! I would even get teased by some of the girls in my class for it. They said I was scared of cock, but that so wasn't true. But now I'm all caught up with the other girls who are having sex, and I feel so grown up!"

How did you know the guy that you lost it to?

"He was actually my ex-boyfriend. We dated for a bit and broke up. It was mostly 'cause he wanted to have sex with me but I wouldn't put out! I was really upset when we broke up, but I got over it and then we became friends. We'd still make-out and stuff, but it never went further than that. Well one night we were hanging out and I was just like, 'Fuck it. I want to fuck!' He was shocked that I was saying that."

Tell us how your first time went.

"It was fun and it felt great once I got used to it. Apparently I have a really little Asian pussy. That's what my ex-boyfriend told me anyway. I don't really know too much about sex so I took his word for it!"

Did his cock feel big in your little pussy?

"Are you kidding me? Even his finger felt big in there! He only put two fingers in but it felt like four! When he put his thingie in he had to go really slow. But after a few minutes I got the hang of it and he could go a bit faster. I still need more practice though!"

SWEAT

Josie's boyfriend is great. He'd do anything for her. And now she wants to do something big for him. It's his birthday and she's going to give him the best gift ever.

Very Cherry

By Josie Pussycat

My boyfriend is so sweet...I mean really sweet. He picks me up before his classes at college to take me to school, and most days he picks me up at 3:30 when I get out. And college is really hard! I should know 'cause I'm in my senior year at Sacred Heart High School, and I'm taking college prep courses. Although I'm only eighteen, I'm very smart for my age, so I have an inkling of what he's going through. So anyway, my name's Josie and Bobby (that's his name!) calls me Josie Pussycat just like the movie of the same name. I heard it was based on a famous Saturday morning cartoon in the seventies—I never saw it—but if it's anything like the movie, well damn...it must be really cool!

Well, I found myself in the local mall, it was a Saturday and it was Bobby's nineteenth birthday. I wanted to get him a really cool gift, and sneakers just didn't cut it. There are just so many shoe stores in the mall! It could drive a girl bonkers! And Bobby has lots of sneakers already. Sneakers that he works in (they're so freakin' dirty!), sneakers he goes to college in (well, they're a little scuffed), and his dress sneakers (they're pristine). A video game? He's already got lots of those. I found myself walking around like a zombie as I passed on all kind of gift shops. Exasperated, I sat down at a bench in order to collect my thoughts. As I stared off into space my eyes focused on the store right across from me.

A Fredrick's of Hollywood.

The mannequin in the display window had this really sexy underwear set on—panties, bra and some really cool fishnet thigh highs. What really was cute was that the entire window was filled with fake cherries—red-glistening fruit on the ground, in the fake tree behind the mannequin, and also bunches hanging from almost

invisible wires. As I stood and walked over to the store window, I realized that it was all some sort of theme—for the fabric of the underwear, although sheer and black, was printed all over with big red cherries and little green leaves. They were really pretty and sexy. As I looked at the window I thought, hey, I bet those would look really great on me. At least Bobby would think so. I giggled a little at that thought and then it hit me like a ton of bricks.

It was the cherries that gave me the idea!

Instead of buying Bobby a birthday gift why not give myself instead? Why not give him my cherry? I did want to give him something special. And what could be more special and sexy than giving up my virginity to him? Nothing!

You see, although Bobby and I were going out for at least six months we still hadn't got past third base. I mean, I let him touch and suck my titties, rub my crotch through my jeans (Mmm...that feels so good!), and I've even given him head before, but we hadn't done the deed yet. And I really wanted to. It was all just so perfect. My parents were even out of town! A plan had started to unfold.

Well, I bought the underwear set from Fredrick's, stopped off at the Yankee Candle Store for some wild-cherry scented candles, and before I reached my house I stopped at our local farmer's market and picked up a bunch of fresh, ripe, very red cherries. When I got home I had an even better idea. I found a pink gift box in my Mom's closet and placed a ripe red cherry on the pink tissue paper that was inside. I would give that to Bobby when he arrived so he would get the idea. Then I called him and told him to come over to my house at 8pm so that I could give him his birthday present.

As soon as I opened my front door Bobby took me in his strong arms. His hands were immediately all over my body while he kissed me, and I let him touch me like that 'cause it felt pretty damn great! I kissed him back...a

long, slow deep French kiss that made my pussy tingle. I could tell that Bobby was getting into it. I could feel his cock getting hard through his jeans. I pulled away to tease him a bit and stood before him.

"Got my birthday present?" Bobby asked.

I smiled seductively, crooked my index finger towards me, and told him to follow me.

"Damn, Pussycat...you look really hot!"

I just sat on the couch and held out the bright pink box for him to take.

"What's this?"

"Open it."

Bobby sat down next to me and opened the box. The cherry sat lush and shiny on its bed of pink tissue paper, its stem curled and was tipped by a small green leaf—just like my underwear! Bobby's looked a little confused at first. His forehead furrowed and then I said, "What's mine to give is now yours."

I watched as Bobby's eyes lit up with understanding.

"A cherry...I get it...your cherry, yeah? We're gonna do it tonight?" he asked.

I just nodded my head.

Bobby immediately jumped my bones. He's just so enthusiastic when it comes to making out! Even though I had my parent's bedroom upstairs all done up with the scented candles and soft, clean sheets, I couldn't wait to feel Bobby all over me. As he kissed me his hand dipped underneath my tight red tank dress and new bra. Boys are just so enthusiastic—especially when it comes to boobies! He caressed them and then his thumb flicked at my nipples. I like when Bobby tweaks my nipples just a wee bit hard. It feels so darn good!

Trying to keep my wits about me I pulled back from him. I wanted everything to be perfect and special so I stood up and unzipped my dress. It fell away from my body, revealing my cherry see-through underwear and thigh highs. Bobby's grin was very wide.

"Hey, your undies fit the theme," he laughed.

I also had on a pair of red stilettos that I swiped from my Mom's closet. We're the same size!

"Ready for your present?"

"Hell yeah!" Bobby said.

I told him to give me at least five minutes after I went upstairs and into my parent's bedroom. I lit all the candles, smoothed down the comforter, and placed

the bottle of warming sensation lube I had purchased at the mall earlier. Can you believe they sell that stuff in the regular pharmacy? I figured since this was going to be my first time a little lube would help things along.

The candles flickered in the dark bedroom. The mood was set, and I was feeling very sexy. I reclined back on the pillows as Bobby entered the room. He stood at the foot of the bed, and I could see the distinctive bulge his cock made in his jeans. It was a big bulge. I shimmied my way over to him on my knees and looked up at him. With both my hands I began to caress his cock through his pants.

"I want this to be special," I said as I kept on stroking him. All the while I looked deep into his eyes.

"This is the best present." Bobby bent over and kissed my lips.

"Take off your shirt, baby, this is your night."

I practically cooed as I said this.

Bobby lifted his shirt over his head. He has such a great body—tight six-pack abs and hardly any hair on his chest. I began to touch it and kiss my way down to his belt. I wanted to pleasure him with my mouth before the grand event. Bobby was moaning a little and pushing his crotch against my breasts. I still have a hard time unbuckling his belt (I'm not a seasoned pro...yet!) so Bobby helped me by doing it for me.

I unzipped his jeans and smiled because his cock was already peeking up over his funky, tattoo-print underwear. Bobby has such a nice cock. It's a big one, over eight inches long and really thick. So there it was just staring me in the face. I must say that I really enjoy sucking his cock. I mean, I've only done it a few times, but Bobby says that it feels really good and I have a nice, hot mouth and tongue. I guess I'm doing it right! Some of my girlfriends don't like to suck their boyfriends' cocks, but it makes me feel really horny too and that's okay in my book!

Well there it was right by my mouth. Bobby had taken his member out for a little fresh air and a little head. He lowered his underwear and I grabbed his ass cheeks with both my hands. He was so freakin' hard that his cock slid immediately between my lips and tickled the back of my throat. I opened my mouth wide and licked and sucked his hot cock. As my saliva coated his shaft I was able to move my head up and down on it much easier. I slid that fucker as far back as I could take it and then swirled my tongue all over his cock as I worked my way up. Removing my hands from his ass I pumped his cock and massaged his balls, all the while taking him deep within my throat.

I had to grab his hips because Bobby was bucking so hard against my face. Caught up in his passion he took a handful of my long, thick, black hair in his hands and pulled my face even closer on him. It was the first time he pulled my hair while fooling around, and I liked the way it made me feel. My pussy got so hot and I began to moan while still sucking his cock.

All of a sudden Bobby pushed my head off his dick.

"I'm gonna cum. And if you keep this up it's gonna happen like, now. And then where will my present be? I don't want to ruin this."

I just grabbed at his cock again, and before shoving it all in my mouth one more time I said to him, "Don't worry. We got all night, sweetie. My parents won't be back until late tomorrow!"

And with that said I opened my mouth wide and sucked his cock. When I was swirling the tip of my tongue around the tip of his dick, I could feel the pressure build at the bottom of Bobby's shaft. I knew he was about to cum so I wrapped my lips around him gently but tightly and pumped his shaft with my hand—all while licking him.

"Oh, Pussycat! Yeah, Pussycat...I'm gonna cum!"

I pictured my mouth as a gentle but vibrating vacuum as Bobby exploded. His cum hit the back of my throat and it was so hot, so warm, so salty and sweet all at the same time.

Bobby sat on the bed and hugged me tight. I returned his affection just as eagerly, but excused myself to the bathroom.

"I need to powder my nose, baby."

I wanted to look perfect and smell as good as those fresh cherries I had purchased earlier.

When I returned Bobby was flat on his back, naked and smiling. The lights of the flickering candles cast a warm glow over his body. Damn, he looked so cute! Bobby patted the spot next to him and told me to get over there. I practically ran into his arms. His skin was so warm and his body felt so good lying against mine. I turned on my side and we began to kiss. I was so happy with my decision to give Bobby my virginity. He was being so slow and gentle with me now. I guess it was a smart move to give him a blow job first, now he would take his time with me.

And he did.

Bobby slid his hand over my sensitive breasts, down past my waist and landed right on top of my horny pussy. His other arm cradled my head and neck. As soon as Bobby touched me a flood of my pussy juice slid out of me and I got really hot. Bobby's hands were all over me when he realized how turned on I was. I wanted to feel his fingers on my cunt so I started to take my panties off.

"No, let me, Pussycat," he said and slid my sexy, little panties off.

I opened my legs wide. I never before had the opportunity to do this, as our make-out sessions and fooling around always took place in Bobby's car. I mean, he has a nice car—a Kia—but it is really too small for love-making. Comfortable love-making anyway.

So there I was. My legs were spread wide for my boyfriend. I had gotten a bikini-wax during the week so my pussy was so smooth and almost hairless—the

When did you get all those curves?

"Just recently. Last summer I went from being completely flat to having these boobs! At first I was a little embarrassed about them, so I didn't even bother to get new bras. I was still wearing my old training bras! It was okay cause they kept my boobs squished down, but they all eventually broke."

Why were you embarrassed of your boobs?

"I'm really short so I think I look funny with these big boobs, but it's mostly 'cause of all the attention. Before boys never really paid attention to me, and especially not my body. I was always just one of the guys. But now that I have boobs they think I'm a slut. I'm so not! I'm just a nice girl with big boobs. I haven't even had sex yet, so I don't think it's fair that I get called a slut just because of my chest."

Don't most girls want bigger boobs?

"I guess other girls do, but I was fine being flat. But I don't want to keep talking bad about my boobs. I like them now. One thing I've noticed is that they've become really sensitive. When I was flat my nipples didn't have much sensation, but now when I touch them I get so turned-on. And now that my chest is bigger it tends to rub against things more, like my desk at school. When that happens I get chills down my spine and wet in my panties. That's definitely a good thing."

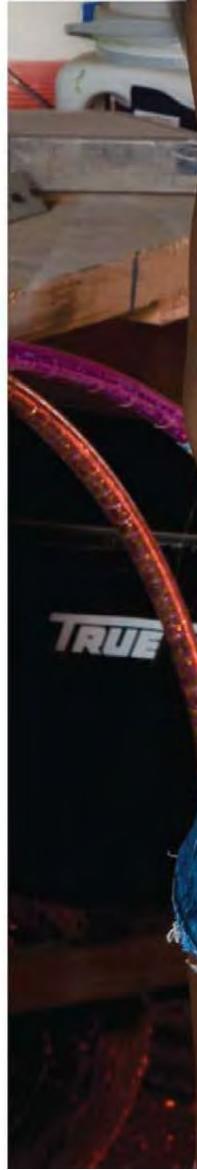

Giselle
Tool Time Twat

Why are you all sweaty, Giselle?

"Probably because I've been working on my bike in a hot garage. My dad taught me a lot about using tools, and I'm a tomboy, so I like being able to fix things on my own. And now that Spring is here the temperature in the garage gets really high. I have to wear as little clothing as possible because of it. But aside from all that, another reason I might be sweaty is because I've been thinking about having sex all day. I think it's time to take off these sweaty clothes and get to work playing with my little pussy."

BRAT CHAT

So we take it you're good with your hands.

"You could say that. I know how to handle tools and fix things. But I'm also good at making guys cum with my hands. I've been told I give really good hand jobs. But it doesn't stop there. I'm also good with my mouth and my pussy, if you know what I mean. I love sucking dick and fucking and it shows. And now I'm gonna think about all that naughty stuff while I make myself cum with a toy and my hands!"

What do you do to make yourself cum?

"I play with myself. Pinching my nipples while I rub my clit feels really good. I like to finger myself too, but my clit needs to be touched for me to cum. What gets me off real good is when I put a dildo in my pussy and drill it fast, and use my other hand to rub my clit. I cum so hard that I can feel my pussy squeezing the dildo. I like to tease my butthole when I masturbate, too. Not all the time, but sometimes. It's a new thing for me. I used to never want to have my butthole played with, but then I went out with some guy and he got me into it. At first I was like, 'Hell no, you are not touching my booty hole!' But he was persistent, and with time I realized that I like to have it licked and fingered. I still haven't had a dick up there yet though."

Why haven't you tried anal yet? Are you nervous about it?

"I'm only gonna give up my booty hole to someone special. And by special I mean a guy whose dick isn't that big. I'll admit that I've stuck a toy—a small toy—up my ass before. It felt good, but I don't think I'm ready to have a big, ol' dick up there. I'm down to try freaky things, but not that. Licking and fingering is okay, but no dicks, please! It's funny how in my pussy I want a big dick, but in my ass I'd only take a small one. But in my mouth I'll take either. Big ones I can handle 'cause I'm good at deep-throating, but small ones are okay too 'cause it's easier to fit the whole thing in your mouth, and your jaw doesn't get as tired."

woman left a tiny little triangle of hair. I looked down at Bobby's hands touching my most private part and I liked what I saw. He was very close to me now, his body on his side, right against mine. As he rubbed my cunt with his hand he lowered his head and sucked my tits. I pushed up against him and felt his cock. It was hard again!

As Bobby licked and sucked my nipples through the fabric of my bra, he inserted a finger into my pussy. This was the first time I let anyone do that, and oh my...it felt so fucking fantastic! I moaned and bucked my hips off of the bed.

"You are so wet," Bobby said. His finger slid inside my cunt with no problem. I was hoping that his cock would do just fine, too. I have to say that although I was so hot for Bobby's cock I was a little nervous. Some girls say that the first time hurts and I didn't want to feel any kind of pain.

Bobby's fingers slid way deep up into my pussy. He had two of them inside of me while he flicked at my clitoris with his thumb. I reached over and began to massage his dick—it was hot and hard and pushing against my thigh. I cupped my hand and slid it up and down his turgid cock. Bobby immediately started to moan and then he kissed me very deeply.

"I think you're ready to give me my birthday present, Pussycat," he said in between kisses.

I opened my eyes, and looked deeply into his.

"Bobby...it won't hurt too much, will it?" Although I was turned-on to the max, and wanted his cock up inside me and sliding in and out of my pussy, I was unsure of the sensations to come. Bobby told me he would be gentle.

"Now lay back baby and let me get over you," he said to me while still playing with my cunt.

"Maybe you would like some lube?" he asked.

I just nodded my head. Bobby told me I looked so hot in just my bra, stay-up stockings, and heels. He told me that mine was the prettiest cherry he had ever seen. That made me relax

Mercedes, do you like being a cheerleader?

"It's awesome! There are so many perks when you're a cheerleader. You're popular, you get invited to all the parties and you get to date all the cute football players. All the girls want to be you and all the guys want to be with you. That's 'cause everyone knows that cheerleaders are the best at sex. Some people like to spread rumors that we're sluts, and well, I guess it's kind of true! I know I'm not the only one on my squad who likes to fuck."

What's it like when you're cheering during a football game?

"It's a lot of fun! Since I'm so tiny they always pick me to be the one who gets tossed around and be at the top of the pyramid. And I'll tell you a little secret...one time I didn't wear panties! I was in sooo much trouble. I almost got kicked off the team for flashing my coochie to the whole school. I think I would have gotten away with it, but some ugly girl snitched on me 'cause she was jealous. I don't know how I got myself out of that one. Oh wait, yeah I do. It's because I totally blew the assistant principal in his office!"

That's hot. What other slutty things do you do?

"I had a threesome with my friend Vanessa. She's also on the cheerleading squad, and she's blonde and has big boobs. She kept saying that she gives better head than me, so I had to prove her wrong! We chose this guy Todd to be the judge. He graduated last year. And he got a lot of action, so we figured he'd know what a good BJ was. We got in the backseat of his van and Vanessa started sucking him first. She did a pretty good job, but then I went down on Todd and totally blew him away. Literally! He came all over my face and said I was the winner."

"Vanessa was pissed that she lost, so I ate her out to make her feel better. I was so horny from sucking Todd's cock I didn't even think twice about it. Then we took turns riding him, and when he came again he sprayed us both!"

a bit—I was glad he thought I looked so pretty. Bobby poured a bit of the lube on his hand and then began to massage my cunt. Oh, that bottle label didn't lie! It said "A gentle warming sensation for her pleasure." And warm it did! My pussy was on fire, and in a good way. I could feel an orgasm building up way deep inside of me. I only felt a really intense climax once and I had a feeling that it wouldn't be my last!

Bobby was now hovering over my body. One arm supported his torso and the other was busy making me feel really horny. Bobby's fingers pumped my now wetter-than-wet cunt. I knew that I would have an explosive moment soon. I reached up and pulled him closer to me and wrapped my arms around him.

"I think I'm gonna cum, Bobby." And cum I did as little waves of pure ecstasy and joy radiated from my pussy throughout my entire body. I was shaking.

"Are you ready, Pussycat?"

I just pushed my hips up off my parents' bed, still feeling all that warm pleasure when I felt his hard dick bob against my body.

Bobby took his cock in his hand and pushed my legs open. I could feel the tip of his dick as it brushed up against my clit, which was really puffy and so sensitive. I took my hands and decided to guide him inside of me. I could feel all the slick stickiness that coated his cock—a mixture of my pearly cum and the lube. Bobby slid his arm beneath my body and held me tight against him. His dick was so friggin' hard, and bigger than I ever felt it before! I pushed more than just the tip into my virgin pussy. Bobby groaned when I did this and he helped me by pushing a little deeper.

"Oh, baby. Oh, Josie...Oh, Pussycat. You feel so good." Bobby moaned out my name over and over and he pushed his fat, hot cock deeper and deeper into my virgin hole. At one point I felt a bit of resistance, and a small blossom of pain filled my loins. But it wasn't too overwhelming or bad because I kept pushing my entire body against Bobby's.

Nikita Bedtime Tails

What's up with the pigtails, Nikita?

"I think they look cute on me. Like I'm Pippi Longstocking or something. Some of my girlfriends think they're dumb 'cause they say that my pigtails make me look immature, but I don't care what they think. I still like the way they look, and I also like to have them tugged when I'm fooling around. I guess it's kind of like when boys used to tug your hair on the playground to let you know that they liked you. Only now guys do it when they're fucking me!"

There's no way we can ignore your juicy tits. Tell us about 'em.

"I like to have those played with, too. Sometimes people ask me if they're fake and it pisses me off sooo much. I'm 100 percent natural. And if you don't believe me, all you have to do is squeeze them and you'll be able to tell. Well, even if you do believe me, you should squeeze them anyway. But if a guy is going to be playing with my boobs, he better be ready to lick and fuck my pussy. Because when someone touches my boobs I get wet, and I want to have sex really bad. I've been told that I'm like a guy 'cause I get horny so easily and I always want to have sex."

Does that mean you've fucked a lot?

"Not a whole lot. I've had sex with two guys, and the one I had the most sex with was the second guy. He was my English professor, and he's the one who got me into pigtail-tugging. I had just started my first semester of college and on the first day of class I knew we were gonna fuck. I came into class sucking on a lollipop and his mouth practically dropped to the floor. He was staring at me the whole time. We were having sex by the end of the week. I would wear little schoolgirl skirts with no panties to class and then fuck him after. He'd get boners while I sat there, crossing and uncrossing my legs so he could see my shaved pussy."

Have you ever tit-fucked before?

"I actually haven't! I know it's weird 'cause you'd think that's one of the first things a guy would try to do with me since I have big boobs, but I dunno! I guess the two guys I had sex with were more interested in fucking my pussy. I saw a porno where a girl gets tit-fucked and then sprayed with cum on her chest. I wanna try that!"

I wanted his cock deep inside of me. It was like something was spurring us both on. Then I just let nature take its course.

And then, once more a little pinch of pain and Bobby was all the way inside of me. I couldn't believe it, and I looked down at his cock sliding in and out of my very slick pussy. I wrapped my legs around his back and pulled him closer. Oh, the sweet friction his cock caused inside my cunt was almost too much to bear. I loved the way he rode me and I felt for the first time like a real woman.

"I'm all the way inside of you, Pussycat...does it feel good?" Bobby groaned and then kissed me deeply. As our tongues entwined our bodies meshed together I answered against his mouth, "Yes."

With my legs still wrapped around him I pushed up at him in order to get more of his cock inside of my pussy. That slight sweet pain had subsided and it now just felt so damned good. Bobby slid his hands under my ass and cupped my asscheeks and brought me closer to him. I so totally loved having my boyfriend's cock fucking me. I even became adventurous and asked Bobby if I could get on top of him.

"Hell yeah. That is so hot, baby!" was his answer.

Being the athletic, young hottie that he is, Bobby expertly held me and flipped me right on top of him. His dick didn't even miss a beat as it still pumped me. I placed my knees on either side of his legs and rode him. Bobby took his hands and began kneading my tits. I reached up behind myself and unclasped my bra. Holding it up like a prize, I whooped out loud and flipped the bra around like a lasso and flung it away. Bobby laughed when I did this. My breasts bobbed up and down and Bobby grabbed each one in his hands. He lifted his head towards them and took turns bathing each of my nipples with his warm tongue. I felt so excited and dirty when he did this, and I shoved my tits harder against his mouth. Then I discovered something new!

I would lift myself off of him a little at a time and then grind down

hard on his cock. I didn't know why, but it felt so good and exciting fucking him this way.

"Oh, Pussycat, you are driving me crazy!" Bobby said this every time I lifted my pussy almost entirely off of his rock-hard dick.

"Do you like your birthday present? Are you enjoying it?" I groaned out as I rode him.

"Yes, fuck yes! I fuckin' love it, baby," Bobby said this as he grabbed my arms and pulled me down hard on his cock. I rocked my body back and forth. I found that when I did this a delicious, warm sensation would fill my pussy—I guess because my clit was rubbing against the bottom of his dick. I kept up this rocking on his cock for some time. It was bringing Bobby just as much pleasure as it was bringing me. I learned that when I wiggled and shook my ass on his throbbing dick Bobby cried out for more.

At one point before his climax Bobby placed his finger and thumb on my clit. He kept rubbing it as I kept sliding up and down on his cock. I felt more stirring in my pussy and in one almost blinding flash I began to cum right on his cock.

"Oh my fuckin' god!" I cried out, "I'm cumming baby. I'm cumming on your cock!"

Bobby began to buck wildly up off of the bed. I almost fell off!

When he came it was the single most satisfying feeling that I ever had. I actually felt his hot cum as it left his cock and splashed up inside my cunt. My pussy gripped his cock and each spasm of my climax pumped the last of his juice out of him.

I slid off of Bobby and he held me in his arms.

"Best birthday gift ever," he said. "I don't think anything will top that."

I just laughed and wiggled closer to him. I loved the way his naked body felt against mine. Even his sweat smelled wonderful! I'm glad I gave up my cherry 'cause now that I finally experienced a cock fucking my pussy I want to do it again and again and again!

Oh, and yeah...we finished that bunch of cherries I had bought earlier after we had "round two." Sex makes you soooo hungry...in more ways than one. Ohhh, I am such a little slut now, and I love it! And guess what...so does Bobby!

AMERICAN BEAUTIES

the two of them will stretch out on a bunch of pillows and let me watch the magic happen by candlelight. They lie together, pale skin and long, dark hair draping over one another while they kiss deeply. Their bodies are so close to identical—petite, small tits and small, hard nips—sometimes I can't really tell them apart when they're all twisted together except that Es shaves her box and her friend, Guinevere, leaves hers full and bushy, which Essie seems to really dig on. She spreads those lips open and gives me a good long look at that juicy pussy before she dives in and tongues it completely clean."

Unfortunately, Essie's 'religion' doesn't allow him to muddy up the feminine powers at play. "But she doesn't mind if I rub one out on the couch while I watch."

Now that's class.

THE GIRL-NEXT-DOOR

Hardly the well-worn (if gorgeous) woman of the Playboy Mansion, this magnificent creature is perhaps the most elusive teen beauty of all. Why? She's down-to-earth and sensible. She's got simple tastes. She wears T-shirts and jeans, listens to Taylor Swift and Carrie Underwood, and she's happy as pie with simple pastimes like going to the movies and grabbing a burger. In other words, gimmicky shit is not going to work on her.

This means you actually have to have a personality. Brains don't hurt either. See why I said she's the trickiest one of the bunch?

This sweet, unspoiled beauty is compassionate. She may volunteer somewhere tutoring kids, doing toy drives or cleaning up local parks—that sort of thing. This is common ground where a friendship can be forged. Her trust must be gained before your hands will get anywhere near the goodies, and she can smell deception as sure as she can throw a football in a perfect spiral. You'd best get a gig volunteering at the local animal shelter before proceeding any further.

Once the trust is gained, though, the girl next door may well be the most fun in the sack. A few years back I had a roll in the hay with this sweet,

young thing named Rory. She was a redhead—and I love those redheads because my heart, right along with Roman Jr.—swells for a fresh, clean freckled face. Not to mention it's always a pleasant surprise when you find out that her ginger curtains match the flaming-red sheets.

Rory wore her younger brother's faded jeans, but did not look the least like a 16-year-old boy. Every curve that her 19 years had given her was sublime. Her legs were long and lean and the light plaid shirt knotted around her tiny waist only accentuated the curves beneath her simple, white v-neck tee. She was at my cousin Michelle's barbecue, the daughter of a family friend, and when I saw those sparkling eyes as she fell in the grass after a particularly cruel hit (they were playing a spontaneous game of dodgeball in the vast green of the backyard) I knew I had to get my fingers tangled in the peachy fuzz inside her sensible cotton panties.

I grabbed her a plate and piled it high with a burger, potato salad and watermelon. Then I snagged a lemonade and asked her to sit and eat with

me. She crossed her long legs Indian-style and proceeded to pack away every bite. (Another bonus, the girl next door is not concerned with calorie-counting and eats what she wants, when she wants, with no self-consciousness whatsoever.) And let me tell you, I later found out that her sexual appetite was just as voracious as her appetite for good ol' greasy food.

After stuffing ourselves, we lay back in the cool of the grass and looked at the clouds and talked about places we'd love to see one day and she shared with me her dream of kayaking with whales in Baja.

Having just seen a show about this on the Travel Channel, I seized the moment and told her (after gasping over the coincidence) about the trip from which I'd just returned from, as a matter of fact.

An hour later, we were in my Aunt Rita's tool shed getting it on. Rory's long, freckled legs were thrown over alternate sides of Uncle Mike's canoe. It was an inflatable pool raft that cushioned her delicate bottom as I pressed my lips into the soft orange curls of her sweet, wet cunny, licking her top-

to-bottom and tasting her sweetness while she cooed like a tiny kitten. She tasted just like warm apple pie, and she came with her fingers wound tightly into my hair, pressing her pussy up against my eager mouth as she rode the wave of her climax.

I can honestly say that out of all my young conquests, she was definitely one of the sweetest.

I climbed on top of her and watched her bite her trembling lower lip as I eased my cock inside her gently, slowly, deeply, enjoying the view as her eyes closed with rapture feeling my meat filling her honey-hole to the hilt, then reeling as she hit her stride and traded positions with me. She moaned with abandon, riding me as if I were a prized bull and even threw in a capricious and adorable "YEE-HAW!" as I came. She bounded backward to catch my spunk in her hot, wet mouth before losing too much of the spray.

"THAT," she proclaimed, "was FUN. How about another burger?" This girl was all about the meat.

You gotta love those good ol' American girls, don't ya? 18

Never Too Old

Sophia, how did this happen?

"Ms. Parks is actually my neighbor. I've seen her out on her lawn and stuff and waved hi before, but I never really talked to her. She always seemed nice enough though. Well, I was passing by her house one day and it was super hot outside. She called to me and asked if I'd like some lemonade. I was sweaty and tired and she was so welcoming, so I told her sure. When I came inside her and her boyfriend—I guess that's what he is—were real nice to me. They asked me what I like to do for fun and if I have a boyfriend and stuff like that."

**Okay, but
how did you
end up in a
threeway?**

"Ms. Parks told me that her and Mr. Pepper had been in a relationship for a long time, and the reason it works for them is because they like to try new things together. Then she asked me if I like to try new things, and I said yes. Then she asked me if I'd like to try new things with her and Mr. Pepper. I got the hint. I thought about it, and I was like, why not? So I sat down in between them and said that I knew what she meant, and leaned in to kiss her."

Whoa. So...how was it?

"It was really good—the freakiest thing I've ever done! Older people have a lot of sex experience, so they can teach you things. And they know lots of different techniques to make you cum. Mr. Pepper's cock was great. It shot right up for both me and Ms. Parks. I ate her out and she tasted great. Some women really do get better with age! They liked fooling around with a girl as young as me, too. Ms. Parks kept sucking on my boobs and saying, 'They're so perky and cute!' It was a good experience. I think I'll be going over for more lemonade soon."
